COMMENTS ON EXAMINER'S STATEMENT OF REASONS FOR ALLOWANCE

MAIL STOP ISSUE FEE

Commissioner for Patents

P.O. Box 1450

Alexandria, VA 22313-1450

Sir:

Applicant notes that the Examiner's particular comments regarding the reasons for allowance do not accurately reflect the claim language. For instance, none of independent claims 1-3 recite that the "contact portion is... metallized". Also, for instance, none of the independent claims 1-3 recite a "biasing means".

Applicant respectfully submits that the scope of the claims should be governed by the actual claim language, not by the Examiner's reasons for allowance.

Patent Office personnel are requested to note that the present submission does not adversely affect the patent term adjustment accrued by Applicant to date. As emphasized in the "Clarification of 37 C.F.R. §1.704(c)(10) – Reduction of Patent Term Adjustment for Certain Types of Papers Filed After a Notice of Allowance Has Been Mailed," 1247OG111 (6/26/01), "a response to the examiner's reasons for allowance" is an example of a paper that does "not cause substantial interference and delay in the patent issue process" and is "not considered a 'failure to engage in reasonable efforts' to conclude processing or examination of the application."
